The use of picture search engines and the publishing of the resulting thumbnails and reference links does not violate German copyright law. This applies as long as the operators are not aware that the images are protected by copyright and have been illegally posted on the internet.

The rights of the photos published by IKV of exhibitions or works of the members are always with the authors.

Photos of works, photos of artists, artists bios were submitted by the artists themselves exclusively for publication on the IKV website or their exhibitions and catalogs. Each member made a statement to the IKV as to what, when, in what context and where it may be published by him.
